

Camerata OSG was formed in 2013 by composer Wladimir Rosinskij. It is a stable formation composed of members (strings) of Galician Symphony Orchestra, including several of their main musicians: Ruslana Prokopenko (first cello), Ludwig Dürichen (second concertino), Francisco Regozo (first viola).

Camerata OSG was born with the purpose of spreading pieces for small chamber orchestras, trying to perform a repertoire as eclectic as possible.

They have performed in Oviedo (Teatro Filarmónica), Gijón (Teatro Jovellanos), A Coruña (Teatro Colón), Lugo (Círculo das Artes), Vigo (Auditorio Centro Cultural Afundación), Santiago de Compostella (Salón Teatro), with soloists such as Thomas Demenga y Amit Peled (cello), Ilya Kaler (violin), Frank Stadler (violin, electric guitar).
